EDFRINGE REVIEW

YOU, ME AND THE DISTANCE BETWEEN US

A moving yet satirical
one woman show.

Devised and Performed
by Ellen Muriel

You, Me and the Distance Between Us

Ellen spent 6 months volunteering in Europe's refugee camps. She gave out clothes and blankets; she made many cups of tea. It gave her lots to think about: like what everyone was fleeing from; why she had really come to help; and whether borders were such a good idea after all.

She's put it all onstage because it needs to be talked about. Expect puppets, slam poetry, song and role-play in an attempt to expose the humanity behind the headlines.
